

**At Large Board Member: Lee Morissette, DMSc, PA-C, CAQ-EM, DFAAPA**

Lee Morissette has been practicing Emergency Medicine in rural critical access hospitals since 2007 in Maine, Wisconsin and Vermont. He is a graduate of the University of New England PA Program obtaining his MPAS, he completed the University of West Virginia Emergency Medicine Program and obtained his CAQ in Emergency Medicine. Additionally, he obtained his Doctorate of Medical Sciences from the University of Lynchburg and completed the Physician Executive Leadership Institute Program conducted by the Heller Center for Health Care Leadership. He is a senior fellow of the Society of Emergency Medicine PA (SEMPA), including executive board member for 5 years and a past President. He is a member of Academy of PA's in Legal Medicine (APALM), Veterans Caucus, NAPA of the AAPA, the National Association of EMS Physicians and the board of directors of the Physician Assistant Association of Vermont (PAAV). For all his work in Emergency Medicine for PA's, he is designated as a Distinguished Fellow of the AAPA. Prior to becoming a PA, he proudly served 25 years active-duty service in the United States Navy serving in many operational assignments, including Independent Duty within the Navy and Marine Corps, achieving the rank of Master Chief Hospital Corpsman/E9 and Command Master Chief. Additionally, he has 30 years' experience as a firefighter/paramedic, mainly serving in rural areas. Lee has reviewed many malpractices cases involving Emergency Medicine PA's over the last several years.
